LIVE STOCK MARKETS.

CENTRAL STOCE YARES, EAST LIBERTY, Jan. 6, 1876,

Buyers were scarce. One dealer emphaticaly Buyers were scarce. One dealer emphaticaly asserts that there are buyers in the market to-day who will not pay more for stock than will barely save them from being arrested for stealing them. On the other hand shippers aver that had their cattle been stolen before they left home they would be better off to day. Reports from Philadelphia and New York are bad for all classes of cattle, save extra choice show cattle. In a word, the year of 1875 is about closing on the dullest market of the year. We quote as follows:

CATTLE. Extra, I,400 to 1,500 lbs Good, 1,200 to 1,300 lbs Common to fair, 1,200 to 1,300 lbs Good, 1,100 to 1,200 lbs Common to fair, 1,100 to 1,200 lbs Good to choice feeders Fair-feeders Stockers

The bottom of the hog market has been knocked clear out, and prices are ruling to-day fully 50c per cwt. lower than last Saturday. It is a singular fact that long are being sold to-day at about the same figures they brought one year ago. It will be seen that the 5's have dropped to 7's, and even down among the 6's, we quote:

Philadelphias Yorkers, Rougus Shippers complained of losing money this week. There are quite a number of choice sheep in the pens unsold, which cannot be shoved off for what they cost at home; and the general impression seems to be that prices have not yet touched bottom. That the market is dull and and prices low will be seen from the sales given below. We quote as follows: as follows: Extra, 110 to 120 lbs....

CANTON GRAIN MARKET.

WHEAT—The market is quiet but little coming in the demand not being very large. The prices ranging from \$1.20 to \$1.25 per bush for old wheat New Wheat, \$1 ID to \$1.20: OATS—Quiet prices ranging from 30c to 33c. COAN—In local demand: buyers are paying from GROCERIES.

Centaur Liniments.

So nearly perfect are the recipes of these wonderful pain-soothing and healing Centaur Liniments, that we can confidently say they will alleviate any pain arising from fiesh, bone or muscle derangement. We do not preiend that they will mend a broken leg or exterminate boils, but even in such cases they will reduce the inflamation and stop the pain. Nor can we guarantee the proper results where the body is poisoned by whiskey. Temperance is as necessary to a proper physical, as mental condition.

The White Centaur Liniment is particularly adapted to all cases of Bheumatism, Lumbago, Neuralgia, Erysipeias, Itch, Sprains, Chilibianis, Cuts, Bruises, Stings, Poisons, scalds, Sciatica, Weak Back, Pains in the side, Wounds, Weeping Sinews, Burus, Frosted Feet, Palsy, Far-ache, Tooth-ache, Head-ache, Ulcers, Old Sores, Broken Breasts, Sore Nippies, Soar Throat, Croup, Diphtheria, etc. The meat of these complaints the Centaur Liniment will cure; all of them it will benefit, It will extract the poison from bites and stings, and will cure burns and scalds without a scar. The following is but a sample of a thousand similar sestimonials:

"My wife has, for a long time, been a terrible sufferer from Rheumatism. She has tried many physicians and many remedies. The only thing which has given her relief is Centaur Liniment.—I am rejoiced to say this has cured her.

It is an indisputable fact that the Centaur Liniment.—I am rejoiced to say this has cured her.

WH. RING, Postmaster."

It is an indisputable fact that the Centaur Liniment is adapted to the tough skin, muscles and firsh of its Liniment, and of course charge several prices for it.

The Yellow Centaur Liniment is adapted to the tough skin, muscles and firsh of

The Yellow Centaur Liniment Ine Yellow Centaur Liniment
is adapted to the tough skin, muscles and fiesh of
the animal creation. Its effects upon severe cases
of Spavin, Sweeny, Wind-Gall, Big-Head and PoilEvil, are little less than marvellous.
Messrs. J. McClure & Co., Druggists, cor. Elm
and Front Sts., Cincinnati, O., say:
"In our neighborhood a number of teamsters are
using the Centaur Liniment. They pronounce it
superior to anything they have ever used. We
sell as high as four & five dozen bottles per month
to owners of horses and mules."
We have volumes of testimonials describing
cures of Sprains, Kicka Galls, Poil-Evil, Big-Head,
and even Founders, which are little less than marvell. No owner of an animal can afford to be
without a bottle of Centaur Liniment, which any
day may prove worth twenty times its cost.
Sold everywhere, but prepared only at the
Laboratory of J. B. ROSE & CO.,

The following needs no comment:

CLEVELAND, O., Dec. 8, 1874—Dear Sir: My wite has been afflicted with Catarrh for thirty years. I have had her use all remedies that were advertised, and spend a great deal of money with physicians, and all to no purpose. I never found anything to do one particle of good until she used BOWEN'S CATARRH CURE. Anything that will cure her will cure anybody. I have perfect faith in its merit, and cheeffully recommend it.

Very truly,

482 Euclid Avenue. The following needs no comment:

This preparation will cure Catarrh in twenty days. Hay fever in three days. Cold in the head in ten hours. Sore throat in three days. Pain in the head is relieved—the offensive breath is corrected, and the sense of smell and taste are restored after a few applications. Bold by dealers in medicines at \$1.
